pearcd in the Indian Express dated 26th December, 1996 under the caption "FCI bungled, failed to transport wheat";

(b) if so, whether any action has been taken to look into this bungling on the part of the FCI and action taken against the officials guilty thereof; and

(c) if not, the reasons therefor?

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) Yes, Sir.

(b) The report was looked into and found without substance. Its main thrust that wheat stocks had not moved from Punjab and Haryana to the deficit States like West Bengal, Maharashtra and Kerala and as a result, the PDS commitments had not been met, was found incorrect. During 1996, 97.72 lakh tonnes of wheat was moved ex. North compared to 74.86 lakh tonnes in 1995, which was 30.5% higher. The other contention that concessional PDS rates of wheat had benefited traders and millers cartels, is also, untrue. No evidence of building by FCI officials was found.

(c) Question does not arise.
